

2ND ANNUAL *Sweet Gestures*

SATURDAY
MAY 4TH, 2024
5:30 P.M.

Goodcity Creatives Community Development Corp is a 501(c)3 organization, and we are currently seeking sponsorships for our “2024 Sweet Gestures” gesture drawing fundraiser. All proceeds support the programming we offer our community. Our fundraiser is part artist’s development workshop and part networking opportunity. Gesture drawing captures the essential form, or essence of the subject and is useful for many styles of art. We provide the model and fun environment, and the community benefits from an opportunity to sharpen their skills and network! This year, we’ll hold Sweet Gestures at the Welcome Center during the month of May, and we’ll sketch, bid, and mingle in a *galaxy far, far, away (it is May 4th after all!)* Our live model will be in space battle-ready attire so you can practice your quick drawing skills, or observe artists at work while mingling with other community members. Finger foods will be provided and other fun includes grabbing sweet treats or mocktails, bidding on some fantastic silent auction items (*like, a Raymond Ramos print, and beautiful children’s art*), or visiting our “Artisans Market” to buy or take a chance at raffles that include goods from local and international artisans.

We love the arts, and believe they are for everyone! We know that when everyone is given equal access to arts learning, amazing things happen, so we work and advocate for just that! Art is therapeutic and increases life skills like critical thinking, problem-solving, and self-expression. For school-aged students, mental health improves, as does student engagement, and academics when students have increased engagement with the arts! College students have also statistically benefitted from arts learning, as it increases critical thinking, problem-solving skills, self-expression, and confidence. This makes engagement with the arts an indicator of collegiate readiness and overall lifetime success. So, we work to ignite creativity and spark hope for a good future by providing engaging lessons for afterschool students in afterschool programs, art in the park activities for children and families during warm summer months, and digital art learning opportunities throughout the year for middle school and high school students. We offer opportunities for artist development and other special workshop events as well! We share love, encouragement, and hope with those we serve while working to create brighter futures. We often share the truth and encouragement found within the pages of the Bible to encourage faith as well. We are excited to continue serving our community in 2024, and we are excited to add new opportunities to our options that include artist development activities, music production workshops, new community engagement activities, and cultural arts learning for our whole community.

We invite you to partner with us to expand arts learning and creative career opportunities by purchasing tickets or providing sponsorship. A sponsorship packet and additional ticket info may be obtained by visiting our website, or by emailing Faith Cornell. Individual Sweet tickets are just \$20, and “Entry only” tickets are just \$15. Thank you for your support.
